PETITION

TO The Legislative Assembly of Ontario: -

Whereas the decision to sell the majority share of Hydro One was made without public input and the sale will be done in complete secrecy behind closed doors; and

Whereas if the people of Ontario lose majority ownership of Hydro One, ratepayers will be forced to accept whatever changes the new owners decide, such as higher rates; and

Whereas the people of Ontario will never again have independent investigations of consumer complaints, such as the Ombudsman's damning report on Hydro One's failed billing system; and

Whereas you would never let your real estate agent sell your home without knowing the price, the number of offers, or what the conditions are, as the Liberal Government is doing with Hydro One;

WE the undersigned petition the Legislative Assembly of Ontario:

To call on the Liberal government to immediately stop the fire sale of Hydro One because once it's gone, we've lost it forever.
